With your signature you commission a binding booking offer for the tour(s) and package(s) chosen by you. Please note that packages can only be booked according to availability (1x Platin, 2 Gold per tour). It's possible that individual tours can't be executed due to low involvement. If tours or packages chosen by you aren't available anymore, we will inform you immediately after receiving your booking offer. In that case you are free to choose an available tour package or to withdraw your offer.

The BVDW accepts your booking offer by sending you a written confirmation or sending you an invoice according to your booking.
